A WORD FROM THE PRESIDENT OF THE MILLIONS FOR CHRIST MISSIONS

There has never been a better time in history to demonstrate our commitment to the Lord of lords. This is the time when those who do know their God shall be strong and do exploits. Islam has become the fastest growing religion in the world. Hinduism and Buddhism have revived. Occultism is on the increase. The nations tribulate as the god of this world has gone to the nations stealing, killing and destroying and he is doing so unchecked.

Millions for Christ Missions calls us to work together to dethrone Satan and to enthrone Jesus Christ Lord and King over the nations. We cannot sit at ease in Zion; God is not pleased with those who do so. We invite you to invest your life and wealth into expanding God's kingdom on earth through the Millions for Christ Missions.

Understanding Millions for Christ Missions

PURPOSE

Millions for Christ Missions is established by the Holy Spirit to plant New Testament indigenous missionary Churches in every community on earth where there are no Churches through research, integration, contextual power evangelism, cross-cultural discipleship,

social action and justice, community development, economic empowerment of converts and the mission; doing all these in the 10-40 Window, western nations and the rest of the world..

KEY BIBLE PASSAGE

“My ambition has always been to preach the Good News where the name of Christ has

never been heard, rather than where a church has already been started by someone else (Rom. 15:20; NLT).”

WHAT WE DO

Wherever we labor with the Lord, we do the following:

- ⇒ Church Planting where there are none.
- ⇒ Social Action and Justice to give a voice to the voiceless.
- ⇒ Disciple the whole nation to build a community of saints who would live like Christ in the nation.
- ⇒ Build schools to educate a new generation who would lead every dimension of society.
- ⇒ Build hospitals to fight diseases among the population.

⇒ Empower the citizens and the mission economically and politically so that saints would become the ones who lead the nation economically and politically.

⇒ Mobilize churches to get involved in global missions at a time like this.
 ⇒ Pray until the powers of darkness in that region is dethroned and Jesus Christ is enthroned Lord of all.

⇒ Continue missiological researches which would expose the state of the commission and using such to mobilize the Church to continue the harvest until Jesus Christ returns.

The Millions for Christ Missions is your best way of getting involved in the expansion of the kingdom of God. This mission is unique because it allows you to labor among people who do not know the name of Christ. It does not seek to duplicate efforts where Christ has already been preached.
